

How to use the PE and sport premium

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

For example, you can use your funding to:

- provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively
- hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- enter or run more sport competitions
- partner with other schools to run sports activities and clubs
- increase pupils' participation in the [School Games](#)
- encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum
- embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

You should not use your funding to:

- employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- teach the minimum requirements of the national curriculum - including those specified for swimming (or, in the case of academies and free schools, to teach your existing PE curriculum)

Online reporting

You must publish details of how you spend your PE and sport premium funding. This must include:

- the amount of premium received
- a full breakdown of how it has been spent (or will be spent)
- the impact the school has seen on pupils' PE and sport participation and attainment
- how the improvements will be sustainable in the future

For the 2017 to 2018 academic year, there is a new condition requiring schools to publish how many pupils within their year 6 cohort are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.

This condition has been added in response to recommendations from the Swim Group, who reviewed curriculum swimming and water safety in primary schools. You can get [advice and resources to help deliver swimming lessons successfully in primary schools](#).

To help you plan, monitor and report on the impact of your spending, it's recommended that you download a template to record your activity. The Department has commissioned partners in the physical education and school sport sector to develop a template, which is available at:

- [The Association for PE](#)
- [Youth Sport Trust](#)

Accountability reviews

Accountability reviews will be carried out after the April deadline for schools to have published details on their websites of how they have spent their premium funding. We will sample a number of schools in each local authority, with the schools chosen based on a mix of random selection and prior non-compliance with the online reporting requirements.

PE and sport premium strategy statement:

| Summary information | | | | | |
|----------------------|---------------|----------------------------------|---|--------------------------|----------------|
| Academy | Oasis Academy | | | | |
| Academic Year | 2018-2019 | Total PE and sport budget | Total fund allocated: £18860 Total spend: £18845.50 | Date of statement | September 2018 |

| Key achievements to date: | Areas for further improvement and baseline evidence of need: |
|--|--|
| <ul style="list-style-type: none"> All weather surfacing & active break times – improved use of space, improved adult involvement Cricket lane – widening experiences, motor skill development, social skill development Engagement with Archers – staff CPD, play leader scheme, attended events | <ul style="list-style-type: none"> Raise aspirations- children have limited life experiences Children working well below age related expectations Children’s understanding of healthy lifestyles – diet Resources – continue to increase the range of activities Character development and behaviour – self control, resilience, team work, sharing independently, looking after resources/responsibility |

| Meeting national curriculum requirements for swimming and water safety | Please complete all of the below*: |
|---|---|
| What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? | See our school website for report http://www.oasisacademyfirvale.org/content/swimming-1 |
| What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? | TBC% |
| What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations? | TBC% |
| Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way? | No |

| Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school | | | | Percentage of total allocation: £11,777 62% |
|---|--|--|--|--|
| School focus with clarity on intended impact on pupils : | Actions to achieve: | Funding allocated: | Evidence and impact: | Sustainability and suggested next steps: |
| Improve outdoor lunch time provision so that children have access to 30 active minutes each school day | <ul style="list-style-type: none"> • Embed play leaders & peer mediators, Archers & CRESST • Playground sports equipment • Sustainable staffing – TA support at lunch time daily outdoors | £1000 per term = £3000 £3511 KS1 £5266 KS2 | All pupils will undertake at least 30 minutes physical activity per day. Lunchtimes and break times provide a good range of physical activities. All support staff trained in delivering active breaks and lunchtime activities. | <ul style="list-style-type: none"> • Staff retention • System for maintaining and replenishing resources |
| Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement | | | | Percentage of total allocation: £1061 6% |
