

## COVID 19 - SEND

- A risk assessment for children with Education Health Care Plans (EHCP) has been created and is reviewed every two weeks with the Educational Psychologist.
- Annual reviews will be completed via calls/video conferencing.
- Covid-19 updates and Local Authority resources are signposted on the website.
- Contact is made each week with children who have EHCPs and My Plans. This information is recorded on the Local Authority spreadsheet and the school Cpoms system.
- Online learning resources are on the school website and children all have a log in for Purple Mash. Paper based learning packs have also been provided.
- Calls home are made each week by class teachers to support learning and wellbeing.
- During the closure staff have been completing online learning on a range of topics including mental health and well-being.
