

Year 3: Spring 1 & 2 Beliefs & Questions

What should I already know?

Religious Education	<ul style="list-style-type: none"> • religion refers to people's faith • describes different ways of worship • enquires about how beliefs shape lives and behaviours.
SACRE objectives:	<ul style="list-style-type: none"> • Learn about Christian celebrations and commitments by describing some spiritual ways of celebrating Christian festivals, including Easter • describe and understand links between Bible stories of creation and Christian beliefs about God as the creator • develop ideas about different ways science and religions handle questions of origins, where we come from • Express and communicate their understanding of the challenges for a Christian person and a Christian community. They consider what difference believing in Jesus makes to the Christians.

Questions to ask:

How do Christian people's beliefs about God, the world and others have an impact on their lives?

What do Christians believe about God?

What different views do we know about the beginnings of life on Earth?

Did God make us all, or are we an accident? Or are there other explanations for humanity?

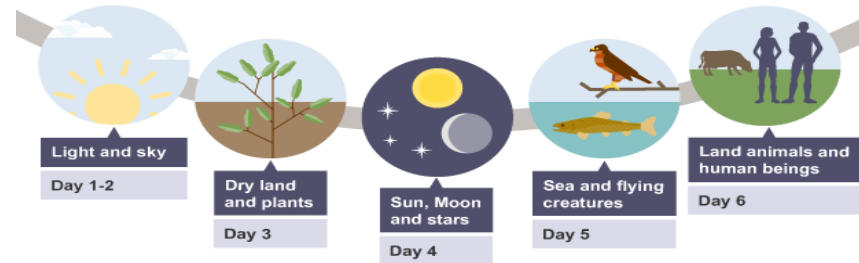

What is good about Good Friday?

Powerful knowledge

Easter is the most important festival in the Christian calendar. It celebrates **Jesus** rising from the dead, three days after he was crucified.

Christian Creation story:

Christian people believe God is the creator (he made everything on Earth and universe). They believe he is omnipotent (all-powerful).
