

It has been an interesting year in school!

We are so proud of our children for joining in with the remote learning during the Spring term.

We are also really pleased that several of our Year 6 children were nominated for the Oasis Student Awards last week.

You should have by now received your child's Record of Achievements. Please note that the attendance on the ROAs this year is from 8th March 2021 due to the covid disruption experienced prior to this date.

It is the end of the academic year and we are having to say goodbye to Miss Hussain, Mr Saqib, Mr Ali, Miss Monus and Mr Blow who are all moving on to new opportunities. We wish you the best!

We are pleased to welcome to the team next year Miss Orwin-Francis and Miss Ioannou.

We want to thank everyone for supporting our Covid procedures this year. We really appreciate parents following our one way system, using our soft start and finish times, socially distancing from others and wearing a mask where possible. A huge thank you from everyone at Oasis Academy Fir Vale!

Please have a safe and enjoyable summer break, we look forward to seeing you again in

September.

Oasis academies teach 9 special habits to help us all live better.

This habit this month is being **Honest**

Honesty is about being truthful. Being honest includes acknowledging when we have got things wrong and taking responsibility for our actions. As we do this, we become a person of integrity - there is an alignment between what we say we are and how we behave.

Y4 Slovakia

We end the term with Year 6 USA and Year 2 Italy winning good attendance. As a treat, they will be having a pizza party in class this week. Well done to both classes, we are sure you will enjoy your pizzas.

The children were investigating how we can make quiet sounds louder. Here the children made string telephones so they can hear each other through the door.

Winners for the competition have been selected and they will be announced by Mrs Beevor on Friday assembly time. Entries have been phenomenal and everyone was a true winner. Take a look at the fantastic posters made by Anaya and Benjamin!

Year 3 Sweden

Year 3 Sweden went on a bear hunt for their Immersion for English.

Year 2 Italy

Y2 Italy looked at some artwork by the Dutch artist called Piet Mondrian And recreated it using an application on Purple Mash. This is work by Sibghatallah Taren.

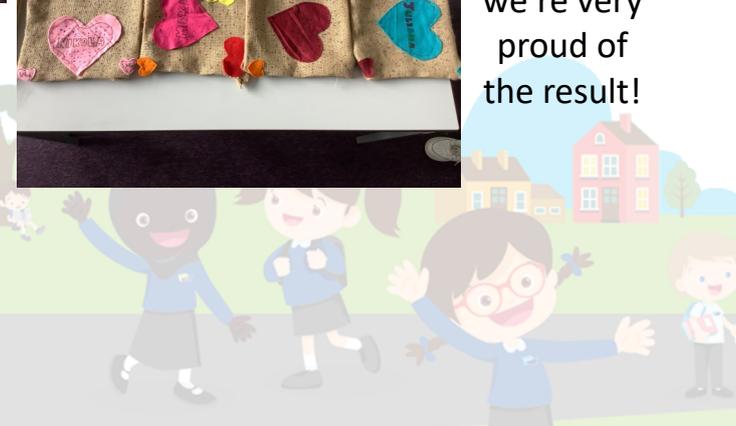

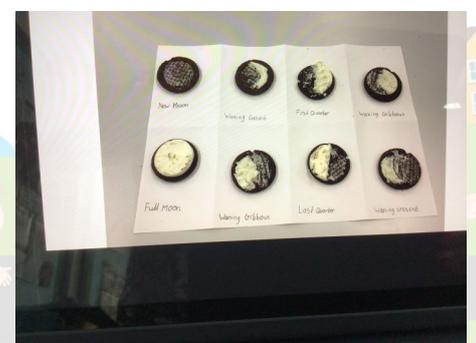

Year 6 Germany

Y6 Germany have been designing and making bags for life, with the hope that we can reduce the amount of plastic bags that we use whilst at home. They practised using a running stitch as well as a cross stitch to test which provided our bags with the best support for carrying items. It's been a lot of fun and we're very proud of the result!

Year 5 Egypt

Children in Y5 Egypt did some science learning. They learnt about the phases of the moon and why the moon appears to change shape and then they recreated the different phases using Oreo biscuits.

Year 3 Denmark

Year 3 playing baseball as a reward for excellent behaviour.

A massive thank you from Year 3 to all the cleaners in our school! You are amazing!!

As part of National Thank You Day, Year 3 showed their thanks for a school hero who has kept the school clean during the pandemic. Without her we would have struggled. Big thank you to Heather and all our cleaning staff and kitchen staff at Sodexo as well as our health visitors and external consultants.

Year 4 Spain

Year 4 made Chlebicky sandwiches as part of D&T. They decided on their own fillings and talked about what the sandwiches would look like and taste like. When they finished making the sandwiches they ate them to make sure they were delicious!

Oasis Student Awards 2021

On Friday 9th July, our school joined 51 other Oasis academies across the nation to celebrate the student awards. An afternoon tea was laid out by caterers Sodexo and Mrs Round chose five students to attend the awards. It was a little outside the box with live streaming and an enjoyable afternoon.
